## Our Menu

### Classic

Our signature moist Vanilla cake, topped with a generous layer of our original buttery rich crumb topping. Lightly coated with powdered sugar.

### Cookies & Cream

Our delicious Vanilla Cake base is layered with crushed Oreos, and topped off with our classic crumb. We finish this decadent cake with a sprinkle of white mini Oreos! It's a fan favorite.

### Cinnamon

Our moist Vanilla cake base is layered with cinnamon on top (similar to the flavor of a cinnamon bun), with Sugar Rush's classic crumb top of that. The cake is then finished with a Cinnamon Streusel.

### Funfetti

Our festive Funfetti has a Vanilla Funfetti-cake and is finished with a rainbow sprinkled crumb topping. This is a favorite for all sprinkle-lovers at heart.

### Chocolate

Decadent Chocolate cake, topped with our classic crumb, and finished with a powdered sugar.

### Lemon

Bursting with Lemon flavor! Our fresh Lemon cake base is topped with Sugar Rush crumbs and finished with powdered sugar and Lemon icing glaze.

### Allergy Note

We make our Crumb Cakes in a kitchen that also processes products that contain milk, eggs, peanuts, tree nuts, and wheat.

We do our best to make sure our nut-free items are stored far away from products that do contain these ingredients. We always wash, rinse, and sanitize equipment between each flavor. But, unfortunately, we cannot guarantee that cross-contact will not occur.

Please feel free to contact us if you have any questions or concerns.
